ALLNET Touch Display Tablet 21 inch installation set

EAN CODE

Bezel and mounting frame for 21" inch tablet

Color silver/silver

The bezel is magnetically fixed on the mounting frame. The magnets must be mounted on the bezel. Please keep in mind that the speakers of the tablet are located on the back of the tablet and thus the quality and volume of the sound options will be limited once the tablet is installed in a wall.

The tablet is screwed to the frame via the vesa mount and then mounted with it in a drywall or wooden wall. Walls are of course also possible, but are only recommended to a limited extent due to possible heat accumulation.
