

Synergy 21 LED 4BAY Purification Light 200Watt UVC

CAUTION: UV-C light can cause damage to the retina of the eye as well as skin damage after prolonged exposure.
Only use in the absence of people.

Operating voltage: 180~240VAC&277VAC Input
Watt: 200W
LED: 275NM-UVC
Power supply: MeanWell
Beam angle: Lens 120°
Light colour: 275NM-UVC
Housing: Aluminium
Operating temperature: -40°C to +40°C
Dimensions: 429*429*159mm

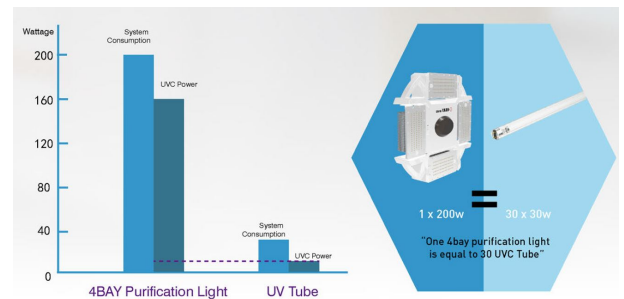

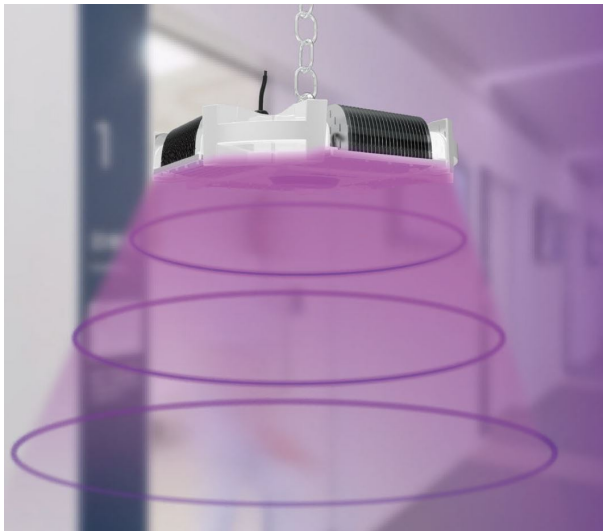

The connection of electrical components and systems may only be carried out by
by qualified personnel only!

Attributes

Attribute	Value
Abstrahlwinkel:	120

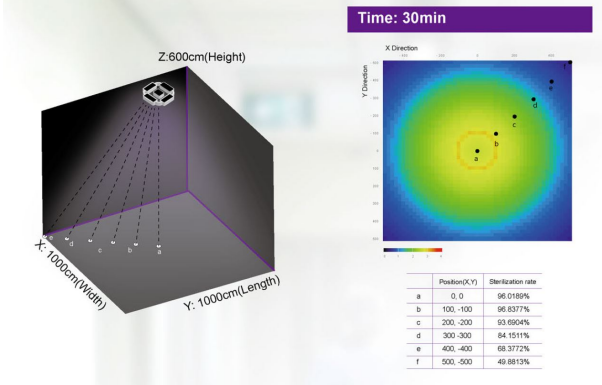

Attribute	Value
Dimmbar:	nein
Grösse:	429*429*159
LED - Gehäusefarbe:	silber
LED - Gehäusematerial:	Aluminium
Lichtfarbe:	UVC
Lichtfarbe in nm:	275
Volt:	230
Weight:	5 Kg
Warranty:	60.00 Months
