

Part No.: 209373  
Vendor Part No.: ALL0500v2/LCS-883C-TB

## ALLNET Media Converter 10BASE-T/10BASE2 to BNC "ALL0500v2"

EAN CODE

**Media converter for converting 10Base-2 coax cables (BNC connector) to 10Base-T twisted pair copper cables (RJ45)**  
**ALLNET Media Converter 10BASE-T/10BASE2 to BNC**  
**"ALL0500v2 aka Longshine LCS-883C-TB"**

### Highlights:

- Complies with 802.3 10Base-T/2/FL standards
- MDI/MDI-X push button selection for RJ-45 port connection
- Extended distances up to 285m
- Operates in half-duplex mode
- Compatible with other 10Base-T/2 devices
- Status LEDs for RCV & LNK to easily monitor network configuration
- External power supply, 12V
- FCC Class A & CE approved

The ALL0500v2 and Media Converters are specifically designed to offer the network designer the tools for migration from Coaxial based Ethernet to UTP based Ethernet and from copper based Ethernet to Fiber Ethernet. Now migration or expansion of existing networks can be achieved with minimum cost and complexity. The converter is completely transparent to the network so the network performs exactly the way it did before - only now it can migrate both UTP and Coaxial mediums and copper and fiber mediums.

**Expands the Size of an Existing Network**

[www.allnet.de](http://www.allnet.de)

ALL0500v2 provides UTP/Coaxial connectivity to Ethernet segments allowing for even further networking expansion between extended nodes. Allows for the quick and easy addition of UTP segments to existing Coaxial networks.

## Enhances the Distance between Networking Devices

Connecting the ALL0500v2 to UTP segments can further extend distances up to maximum 185 meters beyond the converter for a total segment length of 285 meters. The ALL0500v2 can be connected to a Fiber converter for even longer distances.

## Cabling Flexibility

Network managers can install fiber cabling anywhere within a network without retrofitting the arrangement of the Ethernet network. Compact size allows the converter to be easily deployed in any narrow desktop location or used in wall mount installation.

**Probably the last 10Base-2 to 10BaseT converters available on the market. This is a special lot of Longshine LCS-883C-TB in retail packaging with 12VDC power supply. Original packaging.**

## Attributes

Attribute	Value
Features:	BNC
Weight:	0.5 Kg
Warranty:	1 Months
