## ALLNET Touch Display Tablet 21 inch mounting frame

EAN CODE

flush mount / mounting frame for 21" inch tablet (142997)

only the frame, without tablet!

Please note that the speakers and microphones are located on the back of the tablet and so the quality and volume of the sound options will be limited once the tablet is installed in a wall.

The tablet is screwed to the frame via the vesa mount and then mounted with it in a drywall or wooden wall. Walls are of course also possible, but is only conditionally recommended due to possible heat accumulation.

!!!Attention, the mounting frames are not compatible with our aluminum panels!!!!
